Thanks for a terrific job...you were fantastic!

Just wanted to thank you for the wonderful music and entertainment. The music was outstanding! Your group was so professional & so much fun.

...great variety of music.

Paris did it again! They turned an ordinary affair into the extraordinary. But there was more than the music. Your ability to move the crowd & keep the evening going was super, as was your cooperation. Thanks again.

Thank you for doing such a great job at our wedding. Your band really made the wedding! Everyone is still commenting on how great you were and on the great time they had. We feel so lucky to have found you. Thank you, too, for doing such a nice job on our first dance. It was beautiful. We'll recommend you to everyone!

Once again your band did a fantastic job... You really know how to get the party moving and keep it moving. I can honestly say that your band is truly the best party band I have ever heard.

Valerie Z. and her band were incredible! We truly enjoyed having them play at our annual Christmas party. The band not only sounded wonderful, but maintained a professional demeanor and looked great. The music played was appropriate and the people danced the night away, myself included!

What can we say? You are wonderful! You played with such elegance and class at our wedding. Practically everyone at the event had something nice to say about you. Thank you for making our special evening one that we will certainly cherish for a lifetime!

I want to let you know how thoroughly pleased the client was with your performance. Everybody gave high praise on your group.

Thank you for giving us an excellent performance...

We could not have been more pleased. The music of Paris provided us with an elegant atmosphere for our most successful fund raiser of the year. We would recommend Paris to any organization... Matt & Valerie both were intuitive to what their audience liked and what would keep them dancing. And dancing they did! Never have we had such a crowd on the dance floor as the evening closed and it was Paris' great music that accomplished this.

Everyone loved the Latin theme & music! The band was wonderful! Thank you so much for making it such a wonderful evening! We should definitely do it again! Thank everyone for me for an amazing performance...
